Police - South Kanara district - Udipi Sub division - Retention for a further period of 6 months Sanctioned.

From

L.A.Bishop Esq., O.B.E.,
Inspr.-Genl. of Police,
Madras.

To

The Secretary to the Government of Madras,
Home Department.

No. Re 393/RA/46 Dated 21st March 1946.

Sub: Police - South Kanara district - Udipi Sub-Division - Retention for a further period of one year - Sanction requested.

Ref: G.O.Ms.No.1699, Home, dated 31-5-1945.

In G.O.Ms.No.278, Home, dated 25-1-1946 the Government have sanctioned the retention till 31-3-1946 of the temporary additional staff of 1 Deputy Superintendent of Police and 1 Lower Division clerk originally sanctioned in the Government Order cited for the Udipi sub-division in the South Kanara district.

2. The circumstances detailed in my letter to Government Rc.No.1324/W/44, dated 12-4-1945 continue to exist. The inaccessibility of the villages in the Udipi and the Mudabidari circles, particularly in the former owing to its numerous unbridged rivers is a strong factor calling for the services of a separate gazetted officer to deal with the work in these two circles.

3. I enclose a statement showing the grave crime professional grave crime and the percentage of detection in the two sub-divisions during the years 1944 and 1945. I consider the retention of the temporary subdivision with its staff of 1 Deputy Superintendent of Police and one Lower Division clerk for a further period of one year from 1-4-1946 is absolutely essential. The two orderlies required for the Deputy Superintendent of Police will continue to be found from the existing strength of the District Armed Reserve.

4. The District Magistrate, South Kanara, recommends the proposal. A copy of his remarks is enclosed.

5. As the existing sanction for the temporary sub-division expires on 31-3-1946, I have permitted the District Superintendent of Police, South Kanara, to continue the sub-division with its staff beyond 31-3-1946 in anticipation of the sanction of Government. I request my action may kindly be approved.

6. The expenditure will be met from the appropriation under the relevant sub-heads under "29. c. Police - District Executive Force - A District Police - I. Ordinary Areas - Authorised."

ORDER:

Govt. sanction the retention for a further period of six months (or until the need ceases whichever is earlier) from 1-4-46 of the temporary staff of one Dy. S.P. and one lower division clerk originally sanctioned in G.O. No. 1699 Home dt 31/5/45 for the temporary sub-division at Udipi in the South Kanara dt. The Two Constables & Orderlies required for the sub-divisional officer should be found from the existing strength of the Dt. Armed Reserve.

If the retention of the sub-division beyond the period of 6 months granted in para 1 of this order is considered necessary, the D.C. is requested to justify the further retention of the sub-division in greater detail, furnishing figures of grave crime etc during the 1st half year 1946.

By direction of the J.G. of Police I am directed to convey to you that permission has been accorded to the D.S.P. South Kanara to continue the sub-division with its staff beyond 31/3/46 in anticipation of sanction being accorded by Govt.

The draft order on ppr 1-2 above may be accepted subject to the following remarks.

The new subdivision was sanctioned in 1945 mainly on account of works created by war conditions. It will be seen that the number of grave crimes in the district has fallen considerably — from 1049 in 1943 to 653 in 1944 and to 550 in 1945. The number of professional grave crimes has decreased from 418 in 1944 to 260 in 1945. Fin may therefore suggest that sanction may be accorded to the continuance of the subdivision for six months from 1-4-46 or until the need ceases whichever is earlier, the D. G., being asked to come up to Govt with full justification for the necessity for further continuance of the subdivision with figures of grave crimes and professional grave crimes for the first six months of 1946.

May be accepted though my own view is that from the communal grievances alone there is sufficient reason to continue sub division (my note on ppr 4-5 ante of (a)).
